Letter to Households

Instruction: This letter must accompany the Income Eligibility Application

Dear Parent/Guardian or CACFP Participant:

_____ Participates in the Child and Adult Care Food Program (CACFP)

Name of Center and phone #

administered by the United States Department of Agriculture. Please help us comply with the requirements of the CACFP by completing, signing and returning the attached statement as soon as possible. This information is necessary to decide the level of CACFP reimbursement your family day care center is eligible to receive for the meals served to children and/or adult participants in our program. This form will be treated as confidential information. All participants in our program receive their meal free of charge, but the determination of eligibility category affects the amount of federal funding we receive.

A foster child enrolled in our program that is the legal responsibility of a welfare agency or court may be certified as eligible for free meals regardless of your household income. Please refer to the instructions on how to complete the Income Eligibility Application form.

* SNAP: Supplemental Nutrition Assistance Program (formerly the Food Stamp Program)

If your household is currently receiving benefits under the Supplemental Nutrition Assistance Program (SNAP) or Food Distribution Program on Indian Reservations (FDPIR) and your child is enrolled in a child care center you need to only list the case number sign and date the form. If your household is receiving benefits under the Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), Medicaid or Food Distribution Program on Indian Reservations (FDPIR) and an adult in your home is enrolled in an adult day care center then you need to only list their case number sign and date the form. Otherwise an adult household member must complete form and disclose total current household income by source, and the names of all household members. The person completing the form must sign and provide a social security number and date the form when it was completed.

The Department of Agriculture defines a household as a group of related or unrelated individuals (not residents of a boarding house or an institution) who are living as one economic unit (i.e., sharing living expenses).

The income you report must be last month's total gross household income listed by source, for each household member. If last month's income does not accurately reflect your circumstances, you may provide your annual income or you may use last year's income if no significant changes have occurred. If your households' income is equal to or less than the amounts indicated for your households' size on the chart below, your provider may qualify for maximum reimbursement rates.
