Child Care and Development Fund (CCDF) Regional and Statewide Sessions

New Mexico's Early Childhood Education and Care Department (ECECD) invites you to join us for regional and statewide sessions to provide feedback on the state's Child Care and Development Fund (CCDF) Plan for 2022-2024. CCDF funds provide access to child care for eligible families, growth and quality improvement opportunities for providers, and resources to help families find child care that meets their needs. All meetings will be held **virtually via zoom**. Interpretation services, Spanish and ASL, will be available for all sessions.
