

NMDOH Curative Test Sites

Free COVID-19 Testing for Early Childhood Professionals

All licensed facility and registered home provider staff that live or work in a county displayed in red, orange or yellow, are **required** to get tested for COVID-19, **every other week**. These geographical distinctions are based on a fourteen-day rolling average of new daily cases and overall positivity rate

CORONAVIRUS HOTLINE 1-855-600-3453

***IMPORTANT NOTE:** please tell the testing team which child care program or facility you work for. If your organization has multiple sites, please provide the address of the facility where you work.

As with all COVID-19 tests in New Mexico, these tests will be administered for free;
clients must pre-register at curative.com.

Curative is a California research company that created the first oral fluid test in the United States. Trained local, state, and New Mexico National Guard staff are present to ensure samples are properly collected. The Curative, self-collected, swab tests are demonstrated to be at least as accurate as nasopharyngeal test swabs.
