

Parents Reaching Out

Presents

FALL 2020 WORKSHOP SERIES FOR FAMILIES

Preregistration is required. To register, please click on the workshop title.

*Sensory Processing for Learning and Development

Wednesday, 9/2 10-11:30 a.m.

Occupational Therapist Carla Cay Williams, owner of KidPower, will describe the foundations required for learning to occur. This foundation includes development and integration of sensory systems.

*Family Leadership

Tuesday, 9/8 1:00-2:30 pm

Learn from PRO staff and families like yours about family leadership and the benefits of participating in the Family Leadership Academy. Family involvement is continuum of time, learning and participation.

*Executive Functions, Attention and Your Student

Wednesday, 9/9 10-11:30 a.m.

Join Pediatric Neuropsychologist Evelyn Fisher to learn about the types of attention and executive functions, how they develop and how to support students who struggle in these areas.

*Supports Waiver, it is great to meet you!

Thursday, 9/10 1:00-2:30 p.m.

The managers of the NM new support waivers will discuss services available and how to access them.

*Disability Through the Lens of a Father

Tues, 9/15 1:00-2:30 p.m.

Join 3 culturally diverse fathers who will share how they feel about the journeys of their child(ren) with disabilities.

See reverse for more opportunities.

All workshops are no cost to families and held by Zoom.

Learn about resources for your child

Ask questions to our state leaders

Connect with other families

All families are welcome!
